

# WATSON

## Information Guide

### CRAFTSMANSHIP

Watson's traditional craftsmanship ensures seating maximizes comfort and stands the test of time. Intricate stitching and piping details create a unique and contemporary look, as classic angular lines on the outside meet softer, less formal elements on the inside.

### VERSATILE BEAUTY

Featuring a unique, tuxedo-style outer shell that creates a formal ambiance that contrasts with a casual and inviting feel on the inside. Fitting naturally into an array of casual and formal spaces like lobbies, offices, impromptu meeting areas, and more.

### FABRIC

Upholstered in a single fabric or select a different fabric for the outer frame and inner seat and back.

### COMFORT

Multi-density foam provides comfort, durability and longevity.

### LEGS

Legs are available in light, medium or dark birch wood for a natural aesthetic.
