

ASTUTE®

Information Guide

ARMS

Standard with no arm penguin arm or loop arms available in polished aluminum, onyx or smoke matte finish, as well as painted in 14 colors to match the frame.

STACKING & GANGING

All models, except for the sled base with loop arm, stack either on a dolly or on the floor. Guest chair with poly seat stacks 14 on a dolly or 6 on the floor. Guest chair with upholstered seat stacks 7 on a dolly or 4 on the floor. Optional ganging bracket is available with no arm models.

Please refer to the website or price book for all stacking capabilities.

SEAT AND BACK

Available in 14 interchangeable poly colors. Backs and seats are available in polypropylene, partially upholstered, fully upholstered and three wood colors.

FRAME

The bases are available in Guest, Counter and Bar heights. Frames are available in chrome, 14 paint colors that match the backs and seats, as well as an optional onyx or smoke matte finish.

CASTERS AND GLIDES

Nylon glides and sled rails are available in onyx or smoke. Casters are available on the 4 leg version.
