

**These disassembly instructions are also applicable to Foster Recliner Wide.**

 For material recycling information please refer to the Allseating End of Life Recovery and List of Recycling Facilities, which is available at [www.allseating.com](http://www.allseating.com)

Tools: #2 #3 Phillips Head, Rubber Mallet or Hammer, Allen Key  
Skill Set: Good manual dexterity  
Estimated Time: 15min per chair

**Back Rest- 3min**

Pull the 'relax cables' located on the side of the recliner. Locate the clamps positioned underneath the back rest and disengage. Pull back rest upward to remove from the frame.

**Seat – 4min**

Flip the chair on its side so the bottom is visible. Locate 4 fasteners located underneath the seat and unfasten. Pull the seat outwards to remove from the frame.

**Side Panels- 4min**

Flip the chair on its side so the bottom is visible. Locate 6 fasteners attached to the side panel and unfasten. Pull the side panel outward to remove from the mechanism chassis. (Total 12 fasteners, 6 fasteners on each side panel)

**Large Footrest – 2min**

Turn the chair on its side so the bottom is visible. Locate 4 multi-screws attached to the large footrest and unfasten. Pull the large footrest outwards to remove from the mechanism.

**Small Footrest – 2min**

Turn the chair on its side so the bottom is visible. Locate 4 multi-screws attached to the small footrest and unfasten. Pull the small footrest outwards to remove from the mechanism.
