# ENTAIL

## ALL THE EXTRAS.

### WHAT

- + With so many ergonomic features included, Entail is setting a new standard for entry-level task chairs.

### HOW

- + Available in a mesh back in black frame finish. Offered in 34 mesh colors across 5 patterns.
- + Entail offers a variety of essential features to support a broad range of body types such as a 2" seat slider.
- + A dynamic back design that maintains full contact as the user shifts from task to task. To prevent fraying and extend the chair's lifespan, the mesh is integrated directly into the back frame.
- + For added support, an optional lumbar and headrest are available on the mesh version.
- + Dual function arms that are height adjustable with arm caps that move front to back.

### DESIGNER

- + Since 1982, Allseating has developed a reputation for quickly adjusting to the changing needs of customers in the office, educational and healthcare sectors. Today, Allseating has evolved to have product designs for more environments than ever, truly demonstrating the concept of anywhere in all that we do. Inspired by our founder and CEO, Gary Neil, the Allseating team has become known for delivering excellent customer service at every touchpoint.
