

This disassembly instruction is applicable to JIF stool.

For material recycling information please refer to the End of Life Recovery Matrix and List of Recycling Facilities, which is available at www.allseating.com.

Tools: Philips and Flat Screwdriver

Skill Set: Good manual dexterity

Estimated Time: approximately 2 min. per chair

- Steps:
1. Base – 2 min.
Turn the chair upside down and unscrew the base from the stool.
 2. Buckle – 10 sec.
Pry the buckle from the handle by inserting a flat head screwdriver from the top of the buckle.
