GENERAL PRODUCT INFORMATION

Series: Rühe™

Model: P1010 | Rühe Guest Single

Description: Rühe is a minimalist and understated multi-range series that suits a wide variety of public settings, including hospitals,

airports, corporate waiting areas, and educational environments

Features: Rühe features 3 frame finishes and 7 arm cap colors over 3 materials: Polyurethane, Solid Maple, and Corian. Molded

foam for seat and back features a soft cleanout. Arms designed for easy ingress and egress. Curvature of the arm

provides a natural cradle to support the user's arm.

Warranty: 12 year comprehensive parts and labor, with weight limit of 400 lbs.

LEED SUMMARY

Credit 2	Materials & Resources: Construction Waste Management
	Allseating's packaging material is 100% recyclable and there is the option of having the product shipped blanket-wrapped
Credit 4	Materials & Resources: Recycled Content
	The recycled content of Allseating's chairs can contribute to the points earned for this credit
Credit 5	Materials & Resources: Regional Materials
	Allseating's manufacturing facility is located in Mississauga, ON, Canada. If installation is within 500 miles of Mississauga, Allseating chairs may contribute toward this credit
Credit 6	Materials & Resources: Rapidly Renewable Resources
	Certain Allseating fabrics may contribute to this credit

GENERAL PRODUCT INFORMATION

Series: Rühe™

Model: P1013 | Rühe Hip Chair

Description: Rühe is a minimalist and understated multi-range series that suits a wide variety of public settings, including

hospitals, airports, corporate waiting areas, and educational environments

Features: Rühe features 3 frame finishes and 7 arm cap colors over 3 materials: Polyurethane, Solid Maple, and Corian.

Molded foam for seat and back features a soft cleanout. Arms designed for easy ingress and egress. Curvature of

the arm provides a natural cradle to support the user's arm.

Warranty: 12 year comprehensive parts and labor, with weight limit of 400 lbs.
