RES™

GENERAL PRODUCT INFORMATION

- Series:** Res™
- Model:** 75X65/75X68 | Res Stool
- Description:** The product of in-depth research and thoughtful development, Res is a seating solution designed to support the rich exchange of ideas between students and instructors in small to medium size groups. It is a unique hybrid of designs – combining elements of lounge seating with that of focused task seating to meet the needs of higher education and corporate settings alike.
- Features:** The series includes a stool, a lowback, and a midback. Can be specified with either glides or casters. Base comes standard with storage space. Options include shelf with cupholder, tablet, and coat hook
- Warranty:** 12-year comprehensive parts and labor, seating components rated for weight limit of 350 lbs.
