

# INERTIA®

# INERTIA

BREATHABLE, FLEXIBLE AND LIGHTWEIGHT,  
INERTIA ADJUSTS TO VIRTUALLY ANY  
WORKPLACE ENVIRONMENT.

## WHAT

- + With its broad range of interchangeable design options, the Inertia family makes itself right at home no matter the job – or budget. This ergonomic task chair family was designed to keep posture intact throughout the workday to ensure workers don't lose momentum.

## WHY

- + Inertia is available in either a Mesh back [featuring 36 colors across 6 patterns] or Upholstered back. Both back types feature two heights: Midback, Highback, or Extra Highback
- + Available in Plus, Conference, Task, Side, Task Stool and Bar Stool, and a range of arm options. + Inertia provides support and comfort whether you're sitting straight or leaning back.
- + Available in Black or Smoke. Birch will be available later this year.
- + Optional adjustable lumbar support provided with Inertia's Air Support design that can start off as a lighter/minor support (less air) and be inflated to lend more support if the user requires.

## DESIGNER

- + Since 1982, Allseating has developed a reputation for quickly adjusting to the changing needs of customers in the office, educational and healthcare sectors. Today, Allseating has evolved to have product designs for more environments than ever, truly demonstrating the concept of anywhere in all that we do. Inspired by our founder, Gary Neil, the Allseating team has become known for delivering excellent customer service at every touchpoint.
